As requested by the Office communication, additional copies of the foreign patent documents and other documents listed on (and previously submitted with) the previously submitted information disclosure statements are enclosed.

documents. JP 02-174402 and JP 05-121915 were previously disclosed in an information disclosure statement on 12 March 2002, and are listed again because the prior form 1449 did not show that an English translation of the whole patent specification was provided.

Respectfully submitted,

---
